# Gamuda Land set to launch apartments in Cove soon

## Group has signed MoU with six partners for its Discovery Park

**KOTA KEMUNING:** Gamuda Land Bhd is looking to launch its first serviced apartment project in Gamuda Cove within the next two months.

There will be a total of 1000 serviced apartment units, each measuring 650 to 950 sq ft.

The company yesterday inked a memorandum of understanding (MoU) with six key partners for its 50-acre Discovery Park, which will be the first tourism and hangout spot to commence in Gamuda Cove, located in southern Klang Valley.

The partners are flying bar Aerophile Group, hot air balloon company AKA Balloon, leisure karting Blastacars Malaysia, events management company Invade, food and beverage group Kitchen Mafia, as well as glamor-

ous camping Caravan Serai.

Gamuda Land CEO Ngan Chee Meng said the company is in negotiations for more retailers for Gamuda Cove's Discovery Park.

"We carefully plan every detail for the community and this includes locking down good partnerships in advance to activate the work place, home place, play place, park place, and shopping place.

"We are pleased to welcome our partners who shall supply activities and services that create a differentiated experience for Gamuda Cove's Discovery Park," he said.

He added that Gamuda Land's townships are differentiated by the company's mindful planning and ability to bring all components together thoughtfully.

The Discovery Park is part of Gamuda Cove's 372-acre commercial spaces dedicated to a plethora of experiences such as shopping,

dining, leisure and outdoor recreational activities.

When Discovery Park starts operations next year, coupled with its strategic location along the tourism gateway for southern Klang Valley, Ngan is confident that it will be the key destination for local and international visitors.

Gamuda Cove Discovery Park is scheduled for partial opening in 2019 with its Adventure Park and Hangout Village, while full opening with all zones will be in 2020.

Next in the pipeline for Gamuda Cove is the water theme park, to open by 2022, to complement the Discovery Park.

Dubbed "Nature sanctuary, future city", Gamuda Cove is Gamuda Land's latest township development strategically located along the Elite Highway and opposite Cyberjaya. The 1,530-acre township has a gross development value of RM20bil.
